Subject: Deficient Application for Transfer of Notice of Intention, Johansen Construction, Spartacus Mine, S/49/0094, Utah County, Utah

Dear Mr. Shadle:

On July 21, 2016, the Division of Oil, Gas and Mining received an application to transfer the referenced Notice of Intention for the Spartacus Mine from Johansen Construction (transferor) to Matt Shadle (transferee). The transfer is deficient and requires the receipt of the items below:

1. Page 5 of the Reclamation Contract (Form MR-RC) requires a name and signature, and the signature needs to be notarized. The Division is returning the reclamation contract with a blank copy of page 5.
2. Please take the attached letter of credit form to your bank. If the bank requires any assistance in completing the form, they may contact Penny Berry, the minerals program bond coordinator at 801-538-5291. The replacement bond amount required is \$61,100.

Please contact April Abate at 801-538-5214 or me at 801-538-5261 if you have any additional questions regarding this letter.

Sincerely,

Paul Baker
Minerals Program Manager
